REGARDING

To renew the service contract with PlastiCard Systems, the employee identification card badge system, to provide remote service/assistance with the program software and repairs to the ID card printer for a one-year period.

PURPOSE

This system is used to provide identification badges that incorporate payroll log-in and garage access for employees. The service contract covers remote access assistance with the software for the program and the ID card printer that require frequent calls. Without the service contract we would be billed on a per-call basis that would be costly.

COST

\$833.28
