

ADDENDUM #1

DATE OF ISSUANCE: March 20, 2023

**Request for Interest
Solar Voltaic Power Panel System Installation
New Haven Parking Authority
New Haven, Connecticut
NHPA Project #23-049**

Responses Due April 11, 2023 at 3:00 p.m. EDT

Prospective Respondents and all concerned are hereby informed that the following is made a part of the Request for Interest Documents, which shall be amended accordingly:

The following are inquiries from a prospective Respondent along with NHPA's Response:

1. INQUIRY: Does the NHPA wish to have pricing for both a Site Lease and an EPC only type of contract (under the EPC, NHPA would own the asset and [prospective Respondent] would Engineer, Procure and Construct)?

1. NHPA Response: NHPA requires the Respondent to include in its Response the situation where the Respondent would own the solar voltaic power panel system asset and be fully responsible for all aspects such as design, construction/installation, maintenance, repair, insurance, etc. but NHPA would also consider an optional alternative of design-build where NHPA would own the system asset.

2. INQUIRY: Where can I find the enclosure documents mentioned in the RFP?

2. NHPA Response: Documents regarding the *Request for Interest* are available at no cost on the New Haven Parking Authority's website at <https://parknewhaven.com/request-for-bids/>.
