**PARKING ACCESS & REVENUE CONTROL SYSTEM REPLACEMENT
AT
NEW HAVEN PARKING AUTHORITY FACILITIES
NEW HAVEN, CONNECTICUT
NHPA PROJECT #24-029**

PROPOSAL FORM

PARKING ACCESS AND REVENUE CONTROL SYSTEM REPLACEMENT

AT THE VARIOUS FACILITIES

NEW HAVEN, CONNECTICUT

NHPA Project No. 24-029

Proposer's Name

Date

TO: NEW HAVEN PARKING AUTHORITY

c/o Department of Finance
232 George Street
New Haven, Connecticut 06510

The undersigned, having inspected the sites and familiarized ourselves/myself with the local conditions affecting the cost of the work and the Proposal Documents dated August 2025 as prepared by DESMAN and on file with the New Haven Parking Authority, hereby propose to provide all labor, materials, tools, equipment and transportation necessary to complete Parking Access & Revenue Control System Replacement at the Various Facilities, as defined in the Proposal Documents for the Proposal Price of

DOLLARS
(\$ _____).

This Proposal Price shall include all charges such as overhead, profit, insurance, permits, escalation, etc.

The following Addendum by number have been received: _____

NOTE: Proposers who do not list all addenda issued by NHPA for this proposal may be considered nonresponsive to this proposal and their proposal may be rejected.

Submitted herewith is the Proposal Price Itemization including an amount for all project components required by the Proposal Documents. The sum of all listed components shall equal the Proposal Price.

Submitted herewith are all the forms as listed in Section 4 of the Instructions to Proposers, in accordance with these Instructions to Proposers.

We/I acknowledge that should conditions make it necessary to revise the scope of the project, the Proposal Price Itemization shall serve as the basis for adjustments to the Proposal Price.

PROPOSER'S NAME

PARKING ACCESS AND REVENUE CONTROL SYSTEM REPLACEMENT

AT THE VARIOUS FACILITIES

NEW HAVEN, CONNECTICUT

PROPOSAL PRICE ITEMIZATION

NHPA Project No. 24-029

Proposal Item 1 – General Provisions:

A. General Mobilization/Demobilization/Miscellaneous Coordination.

This line item shall consists of all labor, materials, tools and equipment required for setting-up general plant, storage/staging areas and facilities required to facilitate construction or as otherwise required by applicable Federal, State and Local laws; and the general mobilization of equipment required for the completion of the work as shown within the Bid Documents and all expenses for de-mobilization off the site upon completion of all work as shown within the Bid Documents. It will be the contractor's responsibility to obtain all necessary permits to perform the work.

Electricity (power) and water required for the completion of the work shall be furnished by the Owner at existing fixtures or outlets (The Owner will not provide any temporary pipes, cables, etc.). If the capacity of existing utilities is insufficient for the contractor's use, the Contractor shall be responsible for supplementing this capacity as required at no cost to the Owner. The contractor shall provide temporary lighting within designated work areas, as required.

The Contractor shall furnish, install, maintain, relocate and remove all signs, barricades, cones, warning lights, and other safety control devices and temporary signage required for the proper execution of the project. The Engineer and the Owner shall review the safety control device placement before work begins and prior to the beginning of work on any subsequent construction stages. Any deficiencies in the location or arrangement of devices shall be corrected by the contractor before starting work or as the work progresses towards completion. **Contractor shall note that while this Bid Item 1.A shall include the procurement and installation of all applicable safety & traffic control devices (i.e. barricades, etc.) as well as the coordination and installation of temporary signage, the material procurement of the temporary signage shall be included in Proposal Item 6. Work associated with both the procurement and installation of Project Signs (reference Special Conditions 336) is included in its totality within this Proposal Item 1.A.**

The Contractor shall provide and maintain adequate protection of all preexisting architectural, structural, mechanical, electrical, plumbing components and/or features within the confines of in the work areas that are to remain in-place. The work shall include the dismantling of any preexisting architectural, structural, mechanical, electrical, plumbing components and/or features within the confines of in the work areas (such as the temporary moving/relocation of tenant furniture, equipment, etc.) which might be required in order to perform the work specified. The temporarily dismantled installations shall be reinstalled as soon as possible to a condition equal to or better than the condition existing prior to the commencement of construction.

PROPOSER'S NAME

Work shall also include the provision of an effective ventilation system to safely remove all dust and hazardous fumes generated from demolition, any surface treatment applications, or other work. Contractor shall be required to remove any and all loose/spalled overhead or vertical concrete from the structure (concrete framing elements or deck) prior to the start of any demolition activities to prevent any deteriorated concrete from being jarred loose in an uncontrolled fashion. Contractor shall be required to coordinate all aspects of his work with NHPA management and operations staff as well as facility security personal throughout construction.

The contractor shall submit to the Owner/Engineer documentation of all pre-existing non-functioning electrical/mechanical systems within the entire work area. This documentation should be based on the contractor's condition survey performed immediately prior to the scheduled mobilization. The contractor shall not start the mobilization until the Owner approves of this submittal.

This work consists of items not otherwise specifically indicated or shown on the plans but which are ancillary to the specified scope of work being performed, or part of the overall Scope of Work or otherwise not noted or assigned to other Proposal Items.

Contractor shall note that payment for this item shall be distributed in proportion to the total amount of all contract work complete in place unless otherwise approved in writing by NHPA.

Lump Sum = \$ _____

B. Provision of Bonds, Permits, and Insurance.

Work shall consist of the costs associated with the procurement of all bonds, permits, and insurance necessary for this project. Provision of bonds shall include, but not be limited to, Labor & Material Bonds, Performance Bonds, etc. It shall be the contractor's sole responsibility to obtain all necessary permits to perform the work, including, but not limited to, Building, Electrical, Mechanical, Plumbing, and Street Obstruction permits, if required. Insurance requirements are described in General Conditions Section 111 and Special Conditions Section 313.

Lump Sum = \$ _____

<p>SUB-TOTAL PROPOSAL ITEM 1: = \$ _____</p>

Proposal Item 2 – Work related to the Air Rights Garage, Crown Street Garage, Temple Street Garage, Temple Medical Garage, 270 State Street Garage and Granite Square Garage:

Work shall consist of the replacement the existing parking access & revenue control equipment with the new equipment, as designated per the specified inventory, as well as the provision and integration of the equipment with the system and cloud-based management software, with applicable support and service all as specified, all in accordance with the project requirements, along with all other work required for the satisfactory performance of this work item.

Contractor shall note that due to functional requirements, the nested parking areas on Levels 4, 6 & 8 of the Air Rights Parking Garage is separated from the equipment for the main entrances and exits on Levels 1 & 2, as noted. In addition, while the equipment on levels 4, 6 & 8 will be replaced as specified, work shall include the installation of additional equipment to more fully and accurately count the vehicles into and out of the nested parking on levels 4, 6 & 8 as specified.

Due to flooding, the equipment at the exit to Dr. Rev. Martin Luther King Blvd, at the Temple Street Garage, is exposed to frequent damage. Therefore, work shall include the unique mounting of the equipment, at the exit, onto a hydraulic lift system that would raise the equipment above the water level, when flooding occurs. The system shall be connected with a high water sensor so that the equipment is raised automatically. NHPA is open to alternative options as may be proposed.

In addition to the exit to Dr. Rev. Martin Luther King Blvd, at the Temple Street Garage, Contractor shall note that certain electrical repairs are required at the entrance from Crown Street, consisting of replacement of conduit and re-routing it down through the floor slab, along the soffit, and up again as required; Contractor shall coordinate with the Engineer accordingly.

Contractor shall note that work regarding Granite Square Parking Garage shall involve the installation of new equipment at the main entrance/exit on the first level (street level). Although there is an existing island with a booth, no equipment is currently located at the island; therefore, Work shall include the installation of new infrastructure accordingly.

A. Work related to the Air Rights Parking Garage:

1. Work regarding Levels 1 & 2

Lump Sum = \$ _____

2. Work regarding Levels 4, 6 & 8

Lump Sum = \$ _____

PROPOSER'S NAME

B. Work related to the Crown Street Parking Garage:

Lump Sum = \$ _____

C. Work related to the Temple Street Parking Garage:

Lump Sum = \$ _____

D. Work related to the Temple Medical Parking Garage:

Lump Sum = \$ _____

E. Work related to the 270 State Parking Garage:

Lump Sum = \$ _____

F. Work related to the Granite Square Parking Garage:

Lump Sum = \$ _____

<p>SUB-TOTAL PROPOSAL ITEM 2: = \$ _____</p>

Proposal Item 3 – Work related to the Union Station Parking Garage:

Work shall consist of the replacement the existing parking access & revenue control equipment with the new equipment, as designated per the specified inventory, as well as the provision and integration of the equipment with the system and cloud-based management software, with applicable support and service all as specified, all in accordance with the project requirements, along with all other work required for the satisfactory performance of this work item.

Lump Sum = \$ _____

PROPOSER'S NAME

Proposal Item 4 – Work related to the Under Air Rights Surface Lot, Elm Orange Surface Lot, State Wall Surface Lot, State Fair Surface Lot, State Trumbull Surface Lot, State Pulaski Surface Lot, and Whalley Blake Surface Lot:

Work shall consist of the replacement the existing parking access & revenue control equipment with the new equipment, as designated per the specified inventory, as well as the provision and integration of the equipment with the system and cloud-based management software, with applicable support and service all as specified, all in accordance with the project requirements, along with all other work required for the satisfactory performance of this work item

Regarding the State Wall Lot, Proposer shall note that an AT&T Duct Bank is located underground within the vicinity of the new equipment. Proposer shall take extreme caution in identifying and locating this bank prior to start of work; this duct bank shall not be disturbed nor damaged. Proposer shall further note that, due to the installation of the new island and equipment, Work shall include modifications of the parking stall and traffic markings, necessitating the re-striping and re-application of all markings for the State Wall Lot; Contractor shall verify all markings and adjustments prior to start of work and shall remove all conflicting marking s accordingly.

Therefore, prior to start of work and as part of its submittal requirements, Contactor shall provide shop drawings depicting the intended routing of the controls, conduit and wiring infrastructure, as well as placement of new island and all equipment, for review by the Owner/Engineer; work shall not be started until an accepted set of drawings are returned to the Contractor.

Regarding the State Wall Lot, Proposer shall note that an AT&T Duct Bank is located underground within the vicinity of the new equipment. Proposer shall take extreme caution in identifying and locating this bank prior to start of work; this duct bank shall not be disturbed nor damaged. Proposer shall further note that, due to the installation of the new island and equipment, Work shall include modifications of the parking stall and traffic markings, necessitating the re-striping and re-application of all markings for the State Wall Lot; Contractor shall verify all markings and adjustments prior to start of work and shall remove all conflicting marking s accordingly. Acceptable marking paint shall be Setfast Low VOC Acrylic Traffic Marking Paint (2 coats minimum), by Sherwin Williams or approved equal.

Contractor shall further note that the ungated lots will use ALPR and multi-space meters rather than the PARCS equipment used in the gated lots and garages. The Proposer shall be fully responsible for integrating the ungated lot LPR with the PARCS system. NHPA also desires to permit transient parking payment in the ungated lots through the appropriate Apps.

A. Work related to the Under Air Rights Surface Lot:

Lump Sum = \$ _____

PROPOSER'S NAME

B. Work related to the Elm Orange Surface Lot:

Lump Sum = \$ _____

C. Work related to the State Wall Surface Lot:

1. All specified work except as noted:

Lump Sum = \$ _____

2. Re-application of all Traffic Markings, with specified adjustments

Lump Sum = \$ _____

D. Work related to the State Fair Surface Lot:

Lump Sum = \$ _____

E. Work related to the State Trumbull Surface Lot:

Lump Sum = \$ _____

F. Work related to the State Pulaski Surface Lot:

Lump Sum = \$ _____

G. Work related to the Whalley Blake Surface Lot:

Lump Sum = \$ _____

<p>SUB-TOTAL PROPOSAL ITEM 4: = \$ _____</p>

Proposal Item 5 – Refurbishment of Booths

Work shall consist of the repair and/or refurbishment of the booths at the various locations, all as detailed in the specifications, along with all other work required for the satisfactory performance of this work item. Contractor shall note that work shall include cleaning, miscellaneous repair of the exterior surfaces, re-painting of the exterior surfaces, cleaning of the glass with replacement of glass as required, adjustment and repair of the doors and windows including replacement as required, replacement of the roofing systems, re-finishing of the interior surfaces, such as but not limited to countertops, shelves, etc., replacement of light fixtures, replacement of HVAC equipment, as well as all other materials and equipment related to the booths so as to completely refurbish and/or modernize the booths. Work shall also consist of all electrical work and coordination to support the refurbishment and/or repairs/replacement; all as shown on the drawings, in accordance with the specifications, and/or otherwise directed by the Engineer, along with all other work required for the satisfactory performance of this work item.

Contractor shall note that while the booths on levels 1 & 2 of the Air Rights Parking Garage are to be refurbished as part of this Scope, the booth on level 4 is excluded from the Scope. Contractor shall further note that the booth at the Granite Square Garage does not currently have ductwork to the exterior perimeter; Work shall therefore include, in addition to the specified HVAC improvements, the installation of new ductwork as specified, shown on the drawings and as directed by the Engineer.

Contractor shall note that the existing booth at the Under Air Rights Surface Lot shall be replaced with a new booth, as designated on the Drawings. Work shall include the removal and disposal of the existing booth, followed by the placement and installation of the new booth, including the installation of a new concrete ADA-compliant ramp as shown, along with all other work required for the satisfactory performance of this work item. Work shall also include verification of the placement of the ramp prior to start of work, as well as all coordination work required for the installation and connection of the various electrical, mechanical, and communication components designated on the Drawings and/or as directed by the Owner/Engineer.

Except as noted above regarding Granite Square Garage, Contractor shall note that the existing ductwork serving the various booths is in varying condition per location. Therefore, Work shall include the Contractor coordinating with applicable parties to properly identify the scope of the work required, following a visual survey of the ductwork to identify all potential repairs, followed by the Contractor providing a written proposal for the required repairs for review and approval. Upon approval of Contractor's proposal by the owner; payment for this item of work shall be made on a time and material basis at cost plus 15% verified by appropriate backup documentation, or alternately by acceptable lump sum as approved by the Owner. If the work is performed by a subcontractor, the General Contractor will be allowed to add an additional 5% to the time and material costs of the subcontractor.

I. Allowance for Repairs to the Ductwork.

Allowance = \$25,000.00

PROPOSER'S NAME

<p>SUB-TOTAL PROPOSAL ITEM 5: = \$ _____</p>

Proposal Item 6 – Provision of Temporary Traffic Control Signage and Related Graphics:

Work shall consist of the provision of any and all temporary signage and graphics for use during construction, for Work impacting the interiors of the Parking Garages. All temporary signage shall be of a professional nature, as approved by Owner prior to procurement and prior to its installation, and shall consist of specified materials, along with all other work required for the satisfactory performance of this work item. All temporary signage required for the successful execution of the repair work shall become the property of NHPA unless otherwise approved.

Contractor shall note that while this Allowance shall solely pertain to the procurement of the applicable temporary signage, all required coordination with applicable parties to organize the temporary work areas both inside and outside of the facility, followed by the proposing and installation of associated temporary signage, along with the procurement and provision of temporary traffic control devices (i.e. barricades, etc.) shall be included in Bid Item 1.A, General Mobilization/Demobilization.

Allowance = **\$10,000.00**

Proposal Item 7 – Security Camera and Door Control System Allowance.

Work shall consist of designing and installing security cameras and door control systems for all Garage pedestrian entrances and walkways at all garages, ensuring seamless integration with the PARCS system for enhanced security and access control.

Allowance = **\$500,000.00**

PROPOSER'S NAME

Proposal Item 8 – Miscellaneous Contingency Allowance.

This contingency allowance shall pertain to any and all necessary work that may arise due to unforeseen conditions not covered by the Proposal Documents and which may need to be performed at the direction of the Owner/Engineer. Work shall include the Contractor coordinating with applicable parties to properly identify the scope of the additional work required, followed by the Contractor providing a written proposal for the required repairs for review and approval.

Upon approval of Contractor's proposal by the owner; payment for this item of work shall be made on a time and material basis at cost plus 15% verified by appropriate backup documentation, or alternately by acceptable lump sum as approved by the Owner. If the work is performed by a subcontractor, the General Contractor will be allowed to add an additional 5% to the time and material costs of the subcontractor.

Allowance = \$20,000.00

PROPOSAL BOND

KNOW ALL MEN BY THESE PRESENTS, THAT we the undersigned, _____ as
PRINCIPAL, and _____, as
SURETY are held and firmly bound unto the New Haven Parking Authority ("NHPA")
in the penal sum of _____
_____ DOLLARS (\$ _____),
together with any costs, expenses and fees, including reasonable attorney's fees, incurred
by NHPA in any action taken to enforce this bond, in lawful money of the United States,
for the payment of which sum well and truly to be made, we bind ourselves, our heirs,
executors, administrators, successors, and assigns, jointly and severally, firmly by these
presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that whereas the Principal
has submitted the accompanying Proposal dated _____,
for _____
_____.

NOW, THEREFORE, if the Principal (a) shall not withdraw said Proposal within
the period specified therein after the opening of same, or, if no period be specified, within
sixty (60) days after the said opening, and shall within the period specified therefor, or, if
no period be specified, within ten (10) days after the prescribed forms are presented to
him for signature, enter into a written Contract with NHPA in accordance with the
Proposal as accepted, and give bond with good and sufficient surety or sureties, as may
be required for the faithful performance and proper fulfillment of such Contract; or (b)
shall withdraw the Proposal within the period specified prior to the opening of proposals;
or (c) shall fail or refuse to enter into such Contract and give such bond within the time
specified, if and only if the Principal shall make payment to NHPA in an amount equal to
the difference between the amount specified in said Proposal and the amount for which
NHPA may procure the required work or supplies or both, if the latter amount be in
excess of the former, together with costs, expenses and fees, including reasonable
attorney's fees incurred by NHPA as a result of said failure or refusal, then the above
obligation shall be void and of no effect, otherwise to remain in full force and effect.

IN WITNESS WHEREOF, the above-bounded parties have executed this instrument under their several seals this _____ day of _____, 20____, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

Neither the said Proposer nor any of its members, officers, partners, directors, owners, agents, representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly with any other Proposer, firm or person to submit a collusive or sham Proposal in connection with the contract for which the attached Proposal has been submitted or to refrain from proposing in connection with such contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal prices or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the New Haven Parking Authority by any person interested in the Proposal;
5. The price or prices quoted in the attached Proposal are fair and proper and are not tainted by collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its members, officers, partners, directors, owners, agents, representatives, employees, or parties in interest, including the affiant.
6. No officer or employee or person whose salary is payable in whole or in part from the New Haven Parking Authority is directly or indirectly interested in this Proposal, or in the supplies, materials, equipment, work or labor to which it relates, or in any of the profits thereof.

STATEMENT OF PROPOSER'S QUALIFICATIONS

PARKING ACCESS & REVENUE CONTROL SYSTEM REPLACEMENT AT NEW HAVEN PARKING AUTHORITY FACILITIES NEW HAVEN, CONNECTICUT NHPA PROJECT #24-029

(Note: To be submitted by the Proposer with its Proposal)

All questions must be answered, and the data given must be clear and comprehensive. This statement must be notarized. If necessary, questions may be answered on separate attached sheets. The Proposer may submit any additional information desired but complete each item on this Form even if just to reference other attached sheets.

1. Name of Proposer.
2. Proposer's main office address, telephone number, and e-mail address.
3. Proposer's Form of Business Organization (e.g., corporation, LLC, partnership, sole proprietorship), when organized, and where organized. Please also provide proof of active status.
4. List and provide copies of all relevant licenses, certifications, permits, and/or similar approvals. Include applicable dates of renewal and expiration.
5. General character of services/work performed by Proposer's business.

6. How many years has the Proposer been engaged in business under its present firm or trade name?
7. Outline the background and experience of the Proposer regarding the proposed services. Note especially any relevant and specific experience with working in parking garages, with working in active, occupied facilities, and with project management. Identify the trades which will be provided for this Project. Identify the key personnel who will have primary responsibility for the performance of the required services in the various fields of expertise involved. Provide professional license certifications and resumes noting professional and academic qualifications and experience.
8. Describe any proposed Subcontractors, and provide their qualifications, experience, and scope of services. Identify if any are minority-owned, woman-owned, disabled-owned, or small business enterprises, and provide certification.
9. Provide the name, address, phone number, and e-mail address and/or letters of references of at least three (3) references regarding your business qualifications.
10. Describe the Proposer's ability to provide required insurance coverage (reference Section 208 of the draft form of agreement).

11. Has the Proposer ever defaulted on a contract or breached a contract obligation? If so, state the nature of default or breach, status, and provide an explanation.
12. Has the Proposer ever failed to complete any work awarded? If so, provide an explanation.
13. Has the Proposer ever been disqualified, ineligible, suspended or otherwise barred by any applicable federal, state or municipal government? If so, provide an explanation.
14. Has the Proposer or any entity which it has or had common ownership ever filed for bankruptcy, receivership, or reorganization within the last ten years? If so, provide an explanation.
15. The Proposer may also include supplemental information of the Proposer's choice such as brochures, etc. This supplemental information is in addition to the specific items above and must be included as appendices.

The undersigned hereby represents that the above information is true and accurate to the best of their knowledge and further authorizes and requests any person, firm, or corporation to furnish any

information requested by the New Haven Parking Authority in verification of the recitals comprising this Statement of Proposer's Qualifications.

EQUAL EMPLOYMENT OPPORTUNITY AGREEMENT

During the performance of this contract, the Contractor agrees:

- (a) To comply with all provisions of Executive Order 11246, Executive Order 11375, and Executive Order 12138, the Connecticut Fair Employment Practices Act, and the City of New Haven Contract Compliance Ordinance Chapter 12 ½, as all are amended from time to time, including all standards and regulations which are promulgated by the government authorities who established such acts and requirements, and all standards and regulations are incorporated herein by reference;
- (b) Not to discriminate against any employee or applicant for employment because of race, color, religion, age, sex, gender identity or expression, sexual orientation, physical disability or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to race, color, religion, sex, gender identity or expression, sexual orientation, age, national origin, or physical disability. Such action shall include but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff, or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship;
- (c) To post notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause in conspicuous places available to employees and applicants for employment;
- (d) To state, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, gender identity or expression, sexual orientation, age, national origin, or physical disability.
- (e) To send to each union or representative of workers with whom he/she has a collective bargaining agreement, or other contract or understanding, a notice advising the labor union or worker's representative of the Contractor's commitments under the equal opportunity clause of the City of New Haven, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The Contractor shall register all workers in the skilled trades, who are below the journeyman level, with the Connecticut Department of Labor, Office of Apprenticeship Training;
- (f) To utilize labor department and city sponsored manpower programs as a source of recruitment, and to notify the contract compliance unit and such programs of all job vacancies;
- (g) To take affirmative action to negotiate with qualified minority and women contractors for any work which may be proposed for subletting or for any additional services, supplied, or work which may be required as a result of this contract;
- (h) To cooperate with city departments in implementing required contract obligations for increasing the utilization of minority and women business enterprises;
- (i) To furnish all information and reports required by the City of New Haven contract compliance director pursuant to section 12 1/2-19 through section 12 1/2-32 of the City Ordinance and to permit access to its books, records and accounts by the contracting agency, the contract compliance officer, and the secretary of labor for purposes of investigation to ascertain compliance with the program;
- (j) To take such action, with respect to any subcontractor, as the city may direct as a means of enforcing the provisions of subparagraphs (a) through (m) herein, including penalties and sanctions for noncompliance, provided however that, in the event the Contractor becomes involved in or is threatened with litigation as a result of such direction by the city, the city will intervene in such litigation to the extent necessary to protect the interest of the city and to effectuate the city's equal employment opportunity program. In the case of contracts funded directly or indirectly, in whole or in part, under one (1) or more federal assistance programs, the Contractor or the city may ask the United States to enter into such litigation to protect the interest of the United States;
- (k) To file, along with its subcontractors, if any, compliance reports with the city and NHPA in the form and to the extent prescribed in the contract by the contract compliance director of the city. Compliance reports filed at such times as directed shall contain information as to the employment practices, policies, programs and statistics of the Contractor and its subcontractors, if any;
- (l) To include the provisions of subparagraphs (a) through (m) of this equal opportunity clause in every subcontract or purchase order so that said provisions will be binding upon each such subcontractor or vendor;
- (m) That a finding, as hereinafter provided of a refusal by the Contractor, or subcontractor, to comply with any portion of this program as herein stated and described, may subject the offending party to any or all of the penalties;
 - (1) Withholding of all future payments under the involved public contract to the Contractor in violation until it is determined that the Contractor, or subcontractor is in compliance with the provisions of the contract;
 - (2) Refusal of all future bids for any public contract with the city, or any of its departments or divisions, and NHPA until such time as the Contractor, or subcontractor, is in compliance with the provisions of the contract;
 - (3) Cancellation of the public contract;
 - (4) Recovery of specified monetary penalties;
 - (5) In case of substantial or material violation, or the threat of substantial or material violation, or the threat of substantial or material violation, of the compliance procedure or as may be provided for by contract, appropriate equitable or legal proceedings may be brought to enforce these provisions against contractors; subcontractors, or other organizations, individuals or groups who directly or indirectly are not in compliance with the policy as herein outlined.

IN WITNESS HEREOF on the _____ day of _____, 20_____,
the Contractor has caused this Agreement to be duly executed as of the day and year first above written.

STATEMENT OF ITEMS TO BE DISCUSSED BY THE PROPOSER

PARKING ACCESS & REVENUE CONTROL SYSTEM REPLACEMENT AT NEW HAVEN PARKING AUTHORITY FACILITIES NEW HAVEN, CONNECTICUT NHPA PROJECT #24-029

Proposer's Name: _____

The Proposer shall include in its Proposal the following information, as a minimum, regarding the proposed services for Parking Access & Revenue Control System Replacement at New Haven Parking Authority Facilities. If necessary, questions may be answered on separate, attached sheets. The Proposer may submit any additional information as applicable and/or desired.

1. Describe in detail the Proposer's approach to accomplishing the work. Elaborate on the individual tasks as well as phasing and sequencing.

2. Describe the organizational structure under which the proposed services will be performed and identify and describe key personnel.

3. Discuss specific experience with working in active public parking garages.

3. Discuss specific experience with providing project management for similar projects. Also, discuss what the various items include in project management and how this will be carried out. Identify if project management will be performed in-house or by a sub-consultant/sub-contractor.

Proposer's Name: _____

4. Discuss history of, and proposed plans for, use of subcontractors (if any) and associated use of MBE/WBE/DisBEs,
5. Discuss the proposed time schedule and timeline for completing the proposed services. Include details such as engineering, fabrication, and delivery; installation; sequencing; working at multiple facilities. **NOTE: Only one entry/exit point is allowed out of service per facility at a time but Contractor may work on multiple facilities at a time.** Traffic must be maintained to and from the facility at all times, even for situations where there is only one entry/exit point.
6. Discuss your ability to service, maintain, construct and repair the PARCS systems in use by New Haven Parking Authority and describe in detail your ability to obtain and provide quality, compatible repair and replacement parts, especially for those parts that are manufactured by other companies.
7. Describe your inventory of repair and replacement parts and how long it takes for you to obtain parts not in stock.
8. How many service technicians are stationed in New Haven during both peak and off-peak times?

Proposer's Name:_____

9. How many entry and exit lanes do you service in a) New Haven area and b) company-wide; and what is the ratio of service technicians servicing in New Haven versus the number of serviced in New Haven and company-wide?
10. How many maintenance supervisors do you have available for the New Haven area?
11. Discuss your response time for calls for service both during peak and off-peak times.
12. Describe your procedure handling routine as well as urgent repair calls.
13. Describe what reports, notification and monthly summaries you propose to provide in carrying out these services.
14. Describe in detail what repair and preventive maintenance service you propose to provide as standard and your proposed schedule/frequency for carrying out these services. Also, describe what services are not standard, and require additional compensation.

Proposer's Name:_____

15. Discuss in detail and per each facility the fees associated with your providing the PARCS repair and preventive maintenance services.
16. What are your standard hourly compensation rates for your service personnel, including regular and overtime situations?
17. Discuss any options or cost savings you may offer.
18. Note any exceptions to the draft form of Service Agreement.

Name of Bidder

COMMUNITY SUBCONTRACTOR UTILIZATION CERTIFICATE

The undersigned, having read the Bid Documents and the requirements regarding the naming of subcontractors and the use of DAS-Certified Small (SBE) and Minority Business Enterprises (including Minority owned Business Enterprises (MBE), Women owned Business Enterprises (WBE), and/or Disabled owned Business Enterprises (DisBE)), and the use of businesses having a place of business within the City of New Haven, hereby provides the following assurance of compliance. As of the date of the bid opening, the Bidder shall achieve this requirement as follows (attach additional sheets if necessary):

SUBCONTRACTOR* / SUPPLIER**	ENTERPRISE CATEGORY	NATURE OF WORK	DOLLAR AMOUNT

COMMUNITY SUBCONTRACTOR UTILIZATION CERTIFICATE [CONTINUED]

SUBCONTRACTOR / SUPPLIER NAME

BRIEF STATEMENT OF EXPERIENCE

REFERENCES

CALCULATION SHEET FOR COMMUNITY SUBCONTRACTOR UTILIZATION CERTIFICATE

(A) Total Dollar Amount for All MBE, WBE and DisBE = \$_____

(B) Total Dollar Amount for All SBE (non-MBE/WBE/DisBE), MBE, WBE and DisBE = \$_____

(C) Total Dollar Amount for Businesses having a place of business within the City of New Haven limits*** = \$_____

(D) Total Dollar Amount for Bidder's Entire Contract Value (The "Bid Price") = \$_____

*** Note: If the Bidder (i.e., prime bidder) has a place of business within the City of New Haven limits, then the relevant dollar amount is calculated by deducting from the Bidder's entire contract value, the value of the subcontracts and suppliers of materials who do not have a place of business within the City of New Haven.

Minority Business Enterprises Utilization Calculation for Percentage of Total Contract Value:

1. (A) Divided By (D) x 100 = _____% (Percentage of MBE, WBE and DisBE Participation) **NOTE: Must be no less than 25%.**

Small Business Enterprises Utilization Calculation for Percentage of Total Contract Value:

2. (B) Divided By (D) x 100 = _____% (Percentage of SBE Participation) **NOTE: Must be no less than 30%.**

New Haven Business Enterprises Utilization Calculation for Percentage of Total Contract Value:

3. (C) Divided By (D) x 100 = _____% (Percentage of New Haven Businesses) **NOTE: Must be no less than 10%.**

The Bidder further certifies that none of the SBE/MBE/WBE/DisBE Subcontractors or Suppliers of Materials that the Bidder has selected for participation in the NHPA Community Subcontractor Utilization Program fall within the definition of an Affiliated party pursuant to Connecticut State Statute Section 4a-60g. Additionally, the Bidder further certifies that, upon approval of the above-named firms, or other firms added or substituted in accordance with the Bid Documents, it will execute a binding contract with such subcontractors and suppliers of materials for the purpose of undertaking and completing the above described work.

Welders: Rate for craft to which welding is incidental.

Surveyors: Hazardous material removal: \$3.00 per hour premium.

*Note: Hazardous waste removal work receives additional \$1.25 per hour for truck drivers.

**Note: Hazardous waste premium \$3.00 per hour over classified rate.

Truck Drivers: Trainers Premium: \$3.00 over wage rate.

Truck Drivers: Night Premium - Mixer Drivers: \$2.00 over wage rate.

As of: August 14, 2025

Crane with 150 ft. boom (including jib) - \$1.50 extra
Crane with 200 ft. boom (including jib) - \$2.50 extra
Crane with 250 ft. boom (including jib) - \$5.00 extra
Crane with 300 ft. boom (including jib) - \$7.00 extra
Crane with 400 ft. boom (including jib) - \$10.00 extra

All classifications that indicate a percentage of the fringe benefits must be calculated at the percentage rate times the "base hourly rate".

Apprentices duly registered under the Commissioner of Labor's regulations on "Work Training Standards for Apprenticeship and Training Programs" Section 31-51-d-1 to 12, are allowed to be paid the appropriate percentage of the prevailing journeymen hourly base and the full fringe benefit rate, providing the work site ratio shall not be less than one full-time journeyperson instructing and supervising the work of each apprentice in a specific trade.

The Prevailing wage rates applicable to this project are subject to annual adjustments each July 1st for the duration of the project.

Each contractor shall pay the annual adjusted prevailing wage rate that is in effect each July 1st, as posted by the Department of Labor.

It is the contractor's responsibility to obtain the annual adjusted prevailing wage rate increases directly from the Department of Labor's website.

The annual adjustments will be posted on the Department of Labor's Web page:

www.ct.gov/dol. For those without internet access, please contact the division listed below.

The Department of Labor will continue to issue the initial prevailing wage rate schedule to the Contracting Agency for the project.

All subsequent annual adjustments will be posted on our Web Site for contractor access.

Contracting Agencies are under no obligation pursuant to State labor law to pay any increase due to the annual adjustment provision.

Effective October 1, 2005 - Public Act 05-50: any person performing the work of any mechanic, laborer, or worker shall be paid prevailing wage

All Person who perform work ON SITE must be paid prevailing wage for the appropriate mechanic, laborer, or worker classification.

All certified payrolls must list the hours worked and wages paid to All Persons who perform work ON SITE regardless of their ownership i.e.: (Owners, Corporate Officers, LLC Members, Independent Contractors, et. al)

Reporting and payment of wages is required regardless of any contractual relationship alleged to exist between the contractor and such person.

~~Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clause (29 CFR 5.5 (a) (1) (ii)).

Please direct any questions which you may have pertaining to classification of work and payment of prevailing wages to the Wage and Workplace Standards Division, telephone (860)263-6790.

As of: August 14, 2025

Sec. 31-53b. Construction safety and health course. New miner training program. Proof of completion required for mechanics, laborers and workers on public works projects. Enforcement. Regulations. Exceptions. (a) Each contract for a public works project entered into on or after July 1, 2009, by the state or any of its agents, or by any political subdivision of the state or any of its agents, described in subsection (g) of section 31-53, shall contain a provision requiring that each contractor furnish proof with the weekly certified payroll form for the first week each employee begins work on such project that any person performing the work of a mechanic, laborer or worker pursuant to the classifications of labor under section 31-53 on such public works project, pursuant to such contract, has completed a course of at least ten hours in duration in construction safety and health approved by the federal Occupational Safety and Health Administration or, has completed a new miner training program approved by the Federal Mine Safety and Health Administration in accordance with 30 CFR 48 or, in the case of telecommunications employees, has completed at least ten hours of training in accordance with 29 CFR 1910.268.

(b) Any person required to complete a course or program under subsection (a) of this section who has not completed the course or program shall be subject to removal from the worksite if the person does not provide documentation of having completed such course or program by the fifteenth day after the date the person is found to be in noncompliance. The Labor Commissioner or said commissioner's designee shall enforce this section.

(c) Not later than January 1, 2009, the Labor Commissioner shall adopt regulations, in accordance with the provisions of chapter 54, to implement the provisions of subsections (a) and (b) of this section. Such regulations shall require that the ten-hour construction safety and health courses required under subsection (a) of this section be conducted in accordance with federal Occupational Safety and Health Administration Training Institute standards, or in accordance with Federal Mine Safety and Health Administration Standards or in accordance with 29 CFR 1910.268, as appropriate. The Labor Commissioner shall accept as sufficient proof of compliance with the provisions of subsection (a) or (b) of this section a student course completion card issued by the federal Occupational Safety and Health Administration Training Institute, or such other proof of compliance said commissioner deems appropriate, dated no earlier than five years before the commencement date of such public works project.

(d) This section shall not apply to employees of public service companies, as defined in section 16-1, or drivers of commercial motor vehicles driving the vehicle on the public works project and delivering or picking up cargo from public works projects provided they perform no labor relating to the project other than the loading and unloading of their cargo.

(P.A. 06-175, S. 1; P.A. 08-83, S. 1.)

History: P.A. 08-83 amended Subsec. (a) by making provisions applicable to public works project contracts entered into on or after July 1, 2009, replacing provision re total cost of work with reference to Sec. 31-53(g), requiring proof in certified payroll form that new mechanic, laborer or worker has completed a 10-hour or more construction safety course and adding provision re new miner training program, amended Subsec. (b) by substituting "person" for "employee" and adding "or program", amended Subsec. (c) by adding "or in accordance with Federal Mine Safety and Health Administration Standards" and setting new deadline of January 1, 2009, deleted former Subsec. (d) re "public building", added new Subsec. (d) re exemptions for public service company employees and delivery drivers who perform no labor other than delivery and made conforming and technical changes, effective January 1, 2009.

Informational Bulletin

THE 10-HOUR OSHA CONSTRUCTION SAFETY AND HEALTH COURSE

(applicable to public building contracts entered into *on or after July 1, 2007*, where the total cost of all work to be performed is at least \$100,000)

- (1) This requirement was created by Public Act No. 06-175, which is codified in Section 31-53b of the Connecticut General Statutes (pertaining to the prevailing wage statutes);
- (2) The course is required for public building construction contracts (projects funded in whole or in part by the state or any political subdivision of the state) entered into on or after July 1, 2007;
- (3) It is required of private employees (not state or municipal employees) and apprentices who perform manual labor for a general contractor or subcontractor on a public building project where the total cost of all work to be performed is at least \$100,000;
- (4) The ten-hour construction course pertains to the ten-hour Outreach Course conducted in accordance with federal OSHA Training Institute standards, and, for telecommunications workers, a ten-hour training course conducted in accordance with federal OSHA standard, 29 CFR 1910.268;
- (5) The internet website for the federal OSHA Training Institute is http://www.osha.gov/fso/ote/training/edcenters/fact_sheet.html;
- (6) The statutory language leaves it to the contractor and its employees to determine who pays for the cost of the ten-hour Outreach Course;
- (7) Within 30 days of receiving a contract award, a general contractor must furnish proof to the Labor Commissioner that all employees and apprentices performing manual labor on the project will have completed such a course;
- (8) Proof of completion may be demonstrated through either: (a) the presentation of a *bona fide* student course completion card issued by the federal OSHA Training Institute; *or* (2) the presentation of documentation provided to an employee by a trainer certified by the Institute pending the actual issuance of the completion card;
- (9) Any card with an issuance date more than 5 years prior to the commencement date of the construction project shall not constitute proof of compliance;

- (10) Each employer shall affix a copy of the construction safety course completion card to the certified payroll submitted to the contracting agency in accordance with Conn. Gen. Stat. § 31-53(f) on which such employee's name first appears;
- (11) Any employee found to be in non-compliance shall be subject to removal from the worksite if such employee does not provide satisfactory proof of course completion to the Labor Commissioner by the fifteenth day after the date the employee is determined to be in noncompliance;
- (12) Any such employee who is determined to be in noncompliance may continue to work on a public building construction project for a maximum of fourteen consecutive calendar days while bringing his or her status into compliance;
- (13) The Labor Commissioner may make complaint to the prosecuting authorities regarding any employer or agent of the employer, or officer or agent of the corporation who files a false certified payroll with respect to the status of an employee who is performing manual labor on a public building construction project;
- (14) The statute provides the minimum standards required for the completion of a safety course by manual laborers on public construction contracts; any contractor can exceed these minimum requirements; and
- (15) Regulations clarifying the statute are currently in the regulatory process, and shall be posted on the CTDOL website as soon as they are adopted in final form.
- (16) Any questions regarding this statute may be directed to the Wage and Workplace Standards Division of the Connecticut Labor Department via the internet website of <http://www.ctdol.state.ct.us/wgwkstnd/wgemenu.htm>; or by telephone at (860)263-6790.

THE ABOVE INFORMATION IS PROVIDED EXCLUSIVELY AS AN EDUCATIONAL RESOURCE, AND IS NOT INTENDED AS A SUBSTITUTE FOR LEGAL INTERPRETATIONS WHICH MAY ULTIMATELY ARISE CONCERNING THE CONSTRUCTION OF THE STATUTE OR THE REGULATIONS.

November 29, 2006

Notice
To All Mason Contractors and Interested Parties
Regarding Construction Pursuant to Section 31-53 of the
Connecticut General Statutes (Prevailing Wage)

The Connecticut Labor Department Wage and Workplace Standards Division is empowered to enforce the prevailing wage rates on projects covered by the above referenced statute.

Over the past few years the Division has withheld enforcement of the rate in effect for workers who operate a forklift on a prevailing wage rate project due to a potential jurisdictional dispute.

The rate listed in the schedules and in our Occupational Bulletin (see enclosed) has been as follows:

Forklift Operator:

- **Laborers (Group 4) Mason Tenders** - operates forklift solely to assist a mason to a maximum height of nine feet only.
- **Power Equipment Operator (Group 9)** - operates forklift to assist any trade and to assist a mason to a height over nine feet.

The U.S. Labor Department conducted a survey of rates in Connecticut but it has not been published and the rate in effect remains as outlined in the above Occupational Bulletin.

Since this is a classification matter and not one of jurisdiction, effective January 1, 2007 the Connecticut Labor Department will enforce the rate on each schedule in accordance with our statutory authority.

Your cooperation in filing appropriate and accurate certified payrolls is appreciated.

Information Bulletin

Occupational Classifications

The Connecticut Department of Labor has the responsibility to properly determine "job classification" on prevailing wage projects covered under C.G.S. Section 31-53(d).

Note: This information is intended to provide a sample of some occupational classifications for guidance purposes only. It is not an all-inclusive list of each occupation's duties. This list is being provided only to highlight some areas where a contractor may be unclear regarding the proper classification. If unsure, the employer should seek guidelines for CTDOL.

Below are additional clarifications of specific job duties performed for certain classifications:

- **ASBESTOS WORKERS**

Applies all insulating materials, protective coverings, coatings and finishes to all types of mechanical systems.

- **ASBESTOS INSULATOR**

Handle, install apply, fabricate, distribute, prepare, alter, repair, dismantle, heat and frost insulation, including penetration and fire stopping work on all penetration fire stop systems.

- **BOILERMAKERS**

Erects hydro plants, incomplete vessels, steel stacks, storage tanks for water, fuel, etc. Builds incomplete boilers, repairs heat exchanges and steam generators.

- **BRICKLAYERS, CEMENT MASONS, CEMENT FINISHERS, MARBLE MASONS, PLASTERERS, STONE MASONS, PLASTERERS. STONE MASONS, TERRAZZO WORKERS, TILE SETTERS**

Lays building materials such as brick, structural tile and concrete cinder, glass, gypsum, terra cotta block. Cuts, tools and sets marble, sets stone, finishes concrete, applies decorative steel, aluminum and plastic tile, applies cements, sand, pigment and marble chips to floors, stairways, etc.

- **CARPENTERS, MILLWRIGHTS. PILEDRIVERMEN. LATHERS. RESILIENT FLOOR LAYERS, DOCK BUILDERS, DIKERS, DIVER TENDERS**

Constructs, erects, installs and repairs structures and fixtures of wood, plywood and wallboard. Installs, assembles, dismantles, moves industrial machinery. Drives piling into ground to provide foundations for structures such as buildings and bridges, retaining walls for earth embankments, such as cofferdams. Fastens wooden, metal or rockboard lath to walls, ceilings and partitions of buildings, acoustical tile layer, concrete form builder. Applies firestopping materials on fire resistive joint systems only. Installation of curtain/window walls only where attached to wood or metal studs. Installation of insulated material of all types whether blown, nailed or attached in other ways to walls, ceilings and floors of buildings. Assembly and installation of modular furniture/furniture systems. Free-standing furniture is not covered. This includes free standing: student chairs, study top desks, book box desks, computer furniture, dictionary stand, atlas stand, wood shelving, two-position information access station, file cabinets, storage cabinets, tables, etc.

- **LABORER, CLEANING**

- The clean up of any construction debris and the general (heavy/light) cleaning, including sweeping, wash down, mopping, wiping of the construction facility and its furniture, washing, polishing, and dusting.

- **DELIVERY PERSONNEL**

- If delivery of supplies/building materials is to one common point and stockpiled there, prevailing wages are not required. If the delivery personnel are involved in the distribution of the material to multiple locations within the construction site then they would have to be paid prevailing wages for the type of work performed: laborer, equipment operator, electrician, ironworker, plumber, etc.

- An example of this would be where delivery of drywall is made to a building and the delivery personnel distribute the drywall from one "stockpile" location to further sub-locations on each floor. Distribution of material around a construction site is the job of a laborer or tradesman, and not a delivery personnel.

- **ELECTRICIANS**

Install, erect, maintenance, alteration or repair of any wire, cable, conduit, etc., which generates, transforms, transmits or uses electrical energy for light, heat, power or other purposes, including the installation or maintenance of telecommunication, LAN wiring or computer equipment, and low voltage wiring. ****License required per Connecticut General Statutes: E-1,2 L-5,6 C-5,6 T-1,2 L-1,2 V-1,2,7,8,9.***

- **ELEVATOR CONSTRUCTORS**

Install, erect, maintenance and repair of all types of elevators, escalators, dumb waiters and moving walks. **License required by Connecticut General Statutes: R-1,2,5,6.*

- **FORK LIFT OPERATOR**

Laborers Group 4) Mason Tenders - operates forklift solely to assist a mason to a maximum height of nine (9) feet only.

Power Equipment Operator Group 9 - operates forklift to assist any trade, and to assist a mason to a height over nine (9) feet.

- **GLAZIERS**

Glazing wood and metal sash, doors, partitions, and 2 story aluminum storefronts. Installs glass windows, skylights, store fronts and display cases or surfaces such as building fronts, interior walls, ceilings and table tops and metal store fronts. Installation of aluminum window walls and curtain walls is the "joint" work of glaziers and ironworkers, which require equal composite workforce.

- **IRONWORKERS**

Erection, installation and placement of structural steel, precast concrete, miscellaneous iron, ornamental iron, metal curtain wall, rigging and reinforcing steel. Handling, sorting, and installation of reinforcing steel (rebar). Metal bridge rail (traffic), metal bridge handrail, and decorative security fence installation. Installation of aluminum window walls and curtain walls is the "joint" work of glaziers and ironworkers which require equal composite workforce.

- **INSULATOR**

- Installing fire stopping systems/materials for "Penetration Firestop Systems": transit to cables, electrical conduits, insulated pipes, sprinkler pipe penetrations, ductwork behind radiation, electrical cable trays, fire rated pipe penetrations, natural polypropylene, HVAC ducts, plumbing bare metal, telephone and communication wires, and boiler room ceilings.

- **LABORERS**

Acetylene burners, asphalt rakers, chain saw operators, concrete and power buggy operator, concrete saw operator, fence and guard rail erector (except metal bridge rail (traffic), decorative security fence (non-metal)).

installation.), hand operated concrete vibrator operator, mason tenders, pipelayers (installation of storm drainage or sewage lines on the street only), pneumatic drill operator, pneumatic gas and electric drill operator, powermen and wagon drill operator, air track operator, block paver, curb setters, blasters, concrete spreaders.

- **PAINTERS**

Maintenance, preparation, cleaning, blasting (water and sand, etc.), painting or application of any protective coatings of every description on all bridges and appurtenances of highways, roadways, and railroads. Painting, decorating, hardwood finishing, paper hanging, sign writing, scenic art work and drywall hhg for any and all types of building and residential work.

- **LEAD PAINT REMOVAL**

- Painter's Rate

1. Removal of lead paint from bridges.
2. Removal of lead paint as preparation of any surface to be repainted.
3. Where removal is on a Demolition project prior to reconstruction.

- Laborer's Rate

1. Removal of lead paint from any surface NOT to be repainted.
2. Where removal is on a *TOTAL* Demolition project only.

- **PLUMBERS AND PIPEFITTERS**

Installation, repair, replacement, alteration or maintenance of all plumbing, heating, cooling and piping. **License required per Connecticut General Statutes: P-1,2,6,7,8,9 J-1,2,3,4 SP-1,2 S-1,2,3,4,5,6,7,8 B-1,2,3,4 D-1,2,3,4.*

- **POWER EQUIPMENT OPERATORS**

Operates several types of power construction equipment such as compressors, pumps, hoists, derricks, cranes, shovels, tractors, scrapers or motor graders, etc. Repairs and maintains equipment. **License required, crane operators only, per Connecticut General Statutes.*

- **ROOFERS**

Covers roofs with composition shingles or sheets, wood shingles, slate or asphalt and gravel to waterproof roofs, including preparation of surface. (demolition or removal of any type of roofing and or clean-up of any and all areas where a roof is to be relaid.)

- **SHEETMETAL WORKERS**

Fabricate, assemble, install and repair sheetmetal products and equipment in such areas as ventilation, air-conditioning, warm air heating, restaurant equipment, architectural sheet metal work, sheetmetal roofing, and aluminum gutters. Fabrication, handling, assembling, erecting, altering, repairing, etc. of coated metal material panels and composite metal material panels when used on building exteriors and interiors as soffits, fascia, louvers, partitions, canopies, cornice, column covers, awnings, beam covers, cladding, sun shades, lighting troughs, spires, ornamental roofing, metal ceilings, mansards, copings, ornamental and ventilation hoods, vertical and horizontal siding panels, trim, etc. The sheet metal classification also applies to the vast variety of coated metal material panels and composite metal material panels that have evolved over the years as an alternative to conventional ferrous and non-ferrous metals like steel, iron, tin, copper, brass, bronze, aluminum, etc. Fabrication, handling, assembling, erecting, altering, repairing, etc. of architectural metal roof, standing seam roof, composite metal roof, metal and composite bathroom/toilet partitions, aluminum gutters, metal and composite lockers and shelving, kitchen equipment, and walk-in coolers. To include testing and air –balancing ancillary to installation and construction.

- **SPRINKLER FITTERS**

Installation, alteration, maintenance and repair of fire protection sprinkler systems.

****License required per Connecticut General Statutes: F-1,2,3,4.***

- **TILE MARBLE AND TERRAZZO FINISHERS**

Assists and tends the tile setter, marble mason and terrazzo worker in the performance of their duties.

- **TRUCK DRIVERS**

~How to pay truck drivers delivering asphalt is under REVISION~

Truck Drivers are required to be paid prevailing wage for time spent "working" directly on the site. These drivers remain covered by the prevailing wage for any time spent transporting between the actual construction location and facilities (such as fabrication, plants, mobile factories, batch plant, borrow pits, job headquarters, tool yards, etc.) dedicated exclusively, or nearly so, to performance of the contract or project, which are so located in proximity to the actual construction location that it is reasonable to include them. ****License required, drivers only, per Connecticut General Statutes.***

For example:

- Material men and deliverymen are not covered under prevailing wage as long as they are not directly involved in the construction process. If, they unload the material, they would then be covered by prevailing wage for the classification they are performing work in: laborer, equipment operator, etc.
- Hauling material off site is not covered provided they are not dumping it at a location outlined above.
- Driving a truck on site and moving equipment or materials on site would be considered covered work, as this is part of the construction process.

➤ *Any questions regarding the proper classification should be directed to:*

STATUTE 31-55a

- SPECIAL NOTICE -

To: All State and Political Subdivisions, Their Agents, and Contractors

Connecticut General Statute 31-55a - Annual adjustments to wage rates by contractors doing state work.

Each contractor that is awarded a contract on or after October 1, 2002, for (1) the construction of a state highway or bridge that falls under the provisions of section 31-54 of the general statutes, or (2) the construction, remodeling, refinishing, refurbishing, rehabilitation, alteration or repair of any public works project that falls under the provisions of section 31-53 of the general statutes shall contact the Labor Commissioner on or before July first of each year, for the duration of such contract, to ascertain the prevailing rate of wages on an hourly basis and the amount of payment or contributions paid or payable on behalf of each mechanic, laborer or worker employed upon the work contracted to be done, and shall make any necessary adjustments to such prevailing rate of wages and such payment or contributions paid or payable on behalf of each such employee, effective each July first.

- The prevailing wage rates applicable to any contract or subcontract awarded on or after October 1, 2002 are subject to annual adjustments each July 1st for the duration of any project which was originally advertised for bids on or after October 1, 2002.
- Each contractor affected by the above requirement shall pay the annual adjusted prevailing wage rate that is in effect each July 1st, as posted by the Department of Labor.
- It is the **contractor's** responsibility to obtain the annual adjusted prevailing wage rate increases directly from the Department of Labor's Web Site. The annual adjustments will be posted on the Department of Labor Web page: www.ctdol.state.ct.us. For those without internet access, please contact the division listed below.
- The Department of Labor will continue to issue the initial prevailing wage rate schedule to the Contracting Agency for the project. All subsequent annual adjustments will be posted on our Web Site for contractor access.

Any questions should be directed to the Contract Compliance Unit, Wage and Workplace Standards Division, Connecticut Department of Labor, 200 Folly Brook Blvd., Wethersfield, CT 06109 at (860)263-6790.

[New] In accordance with Section 31-53b(a) of the C.G.S. each contractor shall provide a copy of the OSHA 10 Hour Construction Safety and Health Card for each employee, to be attached to the first certified payroll on the project.

In accordance with Connecticut General Statutes, 31-53 Certified Payrolls with a statement of compliance shall be submitted monthly to the contracting agency. CERTIFIED STATEMENT OF COMPLIANCE

For the week ending date of _____,

I, _____ of _____, (hereafter known as
Employer) in my capacity as _____ (title) do hereby certify and state:

Section A:

1. All persons employed on said project have been paid the full weekly wages earned by them during the week in accordance with Connecticut General Statutes, section 31-53, as amended. Further, I hereby certify and state the following:

a) The records submitted are true and accurate;

b) The rate of wages paid to each mechanic, laborer or workman and the amount of payment or contributions paid or payable on behalf of each such person to any employee welfare fund, as defined in Connecticut General Statutes, section 31-53 (h), are not less than the prevailing rate of wages and the amount of payment or contributions paid or payable on behalf of each such person to any employee welfare fund, as determined by the Labor Commissioner pursuant to subsection Connecticut General Statutes, section 31-53 (d), and said wages and benefits are not less than those which may also be required by contract;

c) The Employer has complied with all of the provisions in Connecticut General Statutes, section 31-53 (and Section 31-54 if applicable for state highway construction);

d) Each such person is covered by a worker’s compensation insurance policy for the duration of his employment which proof of coverage has been provided to the contracting agency;

e) The Employer does not receive kickbacks, which means any money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind which is provided directly or indirectly, to any prime contractor, prime contractor employee, subcontractor, or subcontractor employee for the purpose of improperly obtaining or rewarding favorable treatment in connection with a prime contract or in connection with a prime contractor in connection with a subcontractor relating to a prime contractor; and

f) The Employer is aware that filing a certified payroll which he knows to be false is a class D felony for which the employer may be fined up to five thousand dollars, imprisoned for up to five years or both.

2. OSHA~The employer shall affix a copy of the construction safety course, program or training completion document to the certified payroll required to be submitted to the contracting agency for this project on which such persons name first appears.

HOURLY RATE SCHEDULE

The following are hourly wage rates for all tradesmen associated with this bid package for performing extra work on a time and material basis. These rates are fully loaded [including benefits, taxes (All Sales Taxes, Labor and Material as applicable for this project and type of work), applicable insurance, overhead and profit, bond costs (if Subcontractor has provided Surety Bonds), small tools, travel, parking, supervision , and any other costs associated with labor, etc.] and are in accordance with the prevailing wages of the trade having jurisdiction in areas where the work is performed. The wage rates shall be valid for the life of the project. NOTE: Further, no mark-up shall be allowed on the premium time portion of the wage rate. These wage rates including detail and supporting documentation shall be made available within 5 days of verbal award and shall be broken down sufficiently representing all of the items noted above. All rates are subject to thorough analysis and subject to reduction if deemed inaccurate by Turner Construction Company and/or The Owner.
